Besides there is a possible good deal of Bath county money deposited in banks at Mt. Sterling, Carlisle, Sherburne and Hillsboro.

COURT DAY.—The farmers were so busy Monday trying to clear their crops of weeds or in harvesting their wheat that the monthly market was a practical failure, the attendance being the smallest ever observed here on a Court day exceptance many years ago when a snow storm and severe cold kept everybody away except about one-half a dozen.

THOMAS BRAMBLE DEAD.—Thomas Bramble, of Forge Hill neighborhood, died of heart disease early Friday morning and was buried at Old Virginia Saturday afternoon. CARD OF THANKS.—We wish through this medium to express our deepest gratitude to the many neighbors and friends who so kindly and generously ministered to our sister, Miss Endora Hensley, throughout her long illness, and who were with us at her death. We can give only our heartfelt thanks, but there is the promise of a reward to those who give even a cup of cold water in his name.

Mrs. Eliza Harris and daughters Lillie Lee and Lou A. returned last week for a visit to E. A. Baughford and wife, at Peebles, Ohio, the two latter and daughter Wynona, coming with them. Miss Irene Tackett, of Hillsboro, visited Mrs. Harris and family several days, returning home Sunday.

NOTICE OF MASS MEETING.—Pursuant to the call of its Chairman, J. T. Kimbrough, the Bath County Democratic Committee met in the Court-house at Owingsville, Bath county, Ky., on July 2, 1910, at 1:30 p. m., for the purpose of determining the time and manner of nominating a candidate for Circuit Clerk for Bath county, to be voted for at the November election, 1910.

The committee ordered that the Democratic voters of the county meet in mass convention in Owingsville, Bath county, Ky., on Saturday, Aug. 5, 1910, for the purpose of nominating a candidate for Circuit Clerk, to be voted for at the November election, 1910.

On motion the committee adjourned.

The mass convention will be called at 2 o'clock p. m., standard time.

JOHN T. KIMBROUGH, Chm'n.

NOTICE OF DEMOCRATIC CONVENTION.—At the meeting of the Democratic Congressional Committee of the 9th District of Kentucky held at Morehead, Ky., June 28, a convention was called to meet at Carlisle, Nicholas county, on July 25, at 2 o'clock p. m., standard time, for the purpose of selecting delegates to the district convention at Carlisle on the 27th.

W. A. Young, Chairman.

A. G. SUTHER, Sec'y.

DESTRUCTIVE RAINS.—

The first half of last week was distinguished by the number of heavy rain-falls. Corn and tobacco land was very badly washed, and a good many acres of tobacco were destroyed, some fields being abandoned by the cultivators. Some observers estimate that from the washing of the soil and other causes the tobacco production will be reduced one-third.

The Wyoming pike was much damaged, and the bridge over Happy Hollow (or Still-house) branch was washed away, abutments and all.

The wheat in the shock began to sprout, and here the uncut was blown down so that cradles had to be used in harvesting it, much being abandoned.

POOLING SPEECH.—Capt. E. P. Clark, of Fayette county, made a speech at the Court-house Monday afternoon in the interest of the Burley Tobacco Society pool for 1910. A fair-sized audience heard him. One of the chief arguments of his speech was the implied threat that if the 1910 pool failed, the society might throw the 1909 pool on the market before the 1910 crop was ready for market.

There is practically no sentiment in Bath county for the 1910 pool.

ELMER MADDOX DEAD.—After a long illness of consumption, Elmer Maddox, of Peebles, died about 3 o'clock p. m. Saturday, July 2, and was buried at Bethel about 2 o'clock p. m. Monday.

He is survived by his wife, who is a daughter of John Daugherty, of near Okla, and a baby daughter eight months old. He was a son of C. W. Maddox, of near Alexandria, Ind. The bereaved ones feel the sympathy of many friends.

ANNOUNCEMENTS.

We are authorized to announce Will J. Fields, of Carter county, as a candidate for Congress in the Ninth district of Kentucky, subject to the action of the Democratic party.

We are authorized to announce Archimedes Dickerson as a candidate for Circuit Court Clerk of Bath County, subject to the action of the Democratic party.

JOHN D. ROCKEFELLER advocates a universal Christian church. The idea of monopoly is ever uppermost.

WALTER WELLMAN, who threatened to go ballooning to the North Pole, but didn't, now threatens to cross the Atlantic ocean in a balloon. He needs to make good this time.

TEDDY is going to speak for Senator Lodge, the Standpatter, and for Beveridge, the Insurgent. Who but he would attempt to ride at the same time two horses in opposite directions?

LESTINGTON is going to vote on whether or not the commission form of government for that city shall be adopted. The commission plan is a partial confession that the people are incapable of self-government.

FOLKS who failed to go to Reno and see the Jeffries-Johnson fight are denied the privilege of seeing it in pictures, as nearly all cities have prohibited their exhibition, owing to a fear of creating race riots.

JACK JOHNSON, the world's champion pugilist, lives in a Chicago ward with an overbearing negro wife, and may be elected alderman of the city as the political reward of his black skin. Republicans with general suffrage have their drawbacks.

INSURGENT stock has gone above par since Roosevelt has received so many Insurgents and sent them away smiling. He promised Senator Beveridge to speak for him in Indiana. Helet Poindester know that he favored his election as U. S. Senator from Washington against Ballinger's man. Taft and the standpatters are not feeling brash.

It was in London at a "Vanderbilt by birth" loved that the Vanderbilts among the "American Aristocrats" occupied a higher social position than the Astors. An Astor by marriage related that the Astors stopped skimming skunks for generations before the Vanderbilts began collecting ferret tails. Which is a pretty neat sample of feminine wit.
